### General

WatPo is popularly known as the Temple of The Reclining Buddha, as well as being Thailand's first open university under the King patronage. Many fields of knowledge and technology for those days were gathered at WatPo; for example, history, religion, literature, arts, culture, medical science, physical therapy and pharmacy.

The WatPo Thai Traditional Medical and Massage School (Wat Po TTM) was opened since 1955. WatPo TTM is the first Thai Medical School under controlled of The Ministry of Education of Thailand. From starting, WatPo TTM offers 4 basic courses of Thai medical that are Thai pharmacy, Thai medication, Thai midwifery and Thai massage. During the past five decades, a lot of Thais and foreigners have passed our courses and employed in healthy, massage and spa businesses all over the world. Treatments such as Thai massage and foot massage offering at WatPo TTM are one of the most well-known massage treatments in Thailand.

In 2004, WatPo TTM cooperated with the Chetawan Thai Traditional Massage School launches 2 new branches in Nonthaburi province called Chetawan (Chaeng Watthana) and in Chiangmai province called Chetawan (Chiangmai). Both of them provide massage courses and massage treatments under controlled of Wat Po TTM as well as in the headquarter.
